

Reviewer Rating Sheet

INSTRUCTIONS:

Please assign a numerical rating for each of the criteria below paying attention to the total point value available for each criterion.

CRITERIA:

Impact: Will the project have a substantial positive impact on increasing the percentage of people who enter, stay in, or progress through the continuum of care? If the project requests funds for clinical services or patient care costs, does the application clearly document the need for Komen support in the post-Affordable Care Act era? Will the project have a substantial impact on the priority selected? How closely does the project align with the funding priorities stated in the RFA? Does the project have a sufficient and documented plan to evaluate its impact? Is the impact likely to be long-term?

Comments:

POINTS (1 - 30): _____

Feasibility: How likely is it that the objectives and activities will be achieved within the scope of the funded project? Is the project well planned? Is the budget appropriate and realistic? Does the budget justification explain in detail the reasoning and need for the costs associated with the project?

Comments:

POINTS (1 - 25): _____

Capacity: Does the applicant organization, Project Director and his/her team have the expertise to effectively implement all aspects of the project? Is the organization respected and valued by the target population? Is it culturally competent?

Comments:

POINTS (1 - 15): _____

Collaboration: Does this project enhance collaboration among organizations with similar or complementary goals? Are the roles of the partners appropriate and relevant?

Comments:

POINTS (1 - 10): _____

Sustainability: Is the project likely to be sustained? Will collaborations (if proposed) likely to continue beyond the project period? Does the applicant organization have other sources of funding sufficient to continue the project once Komen funds expire?

Comments:

POINTS (1 - 10): _____

Priority: Does the project address one of the following priority needs? *(1) Decrease the percentage of late stage breast cancer diagnoses in Muscatine County by increasing outreach and education opportunities, particularly among the Hispanic population; (2) Increase outreach efforts to Hispanic and African American communities in Rock Island and/or Scott County; (3) Ensure access to quality breast health across the continuum of care to persons in Rock Island and/or Scott Counties*

POINTS (1 - 10): _____

TOTAL POINTS: _____
